

**in part 1 we learn these letters:**

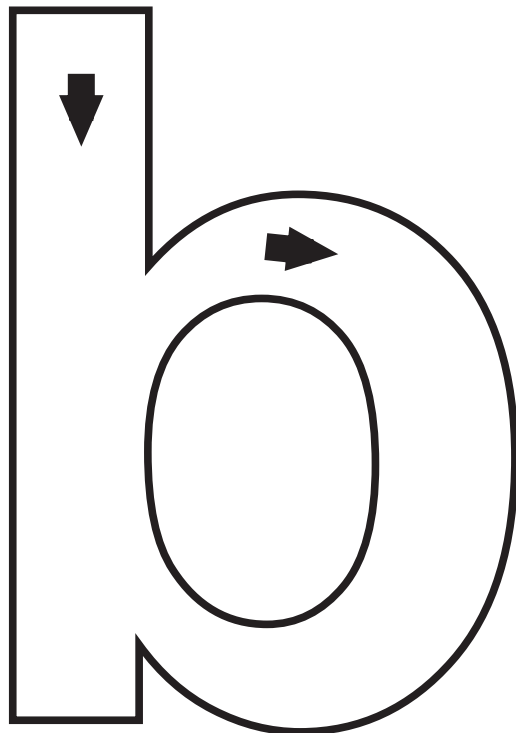

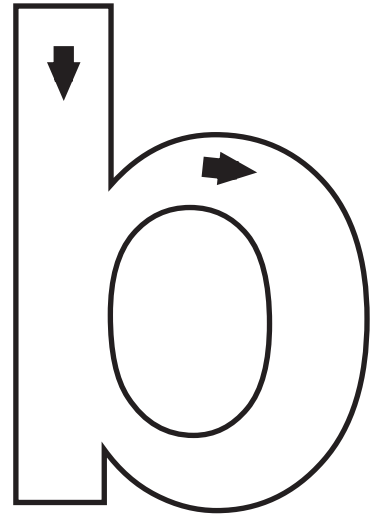

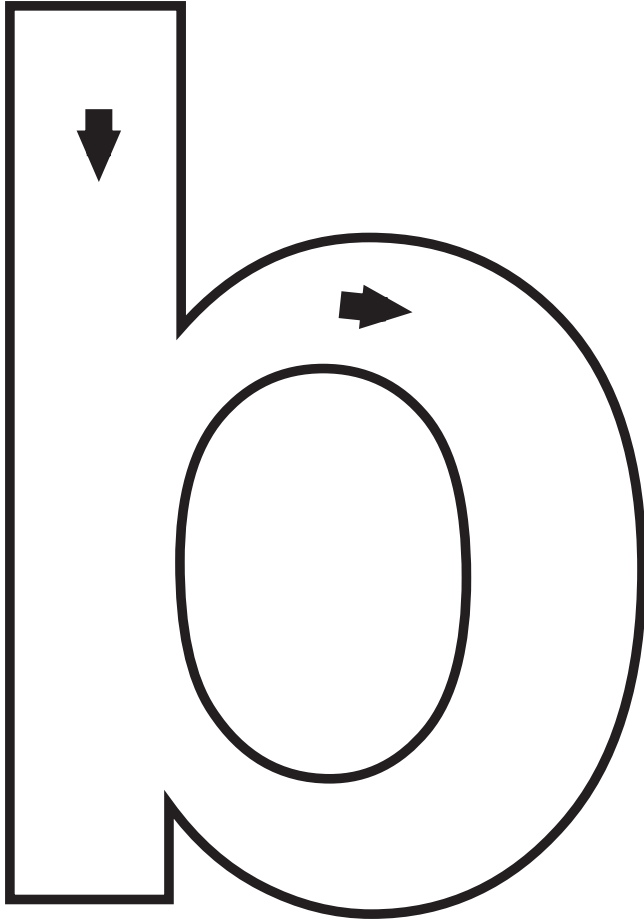

# b

sounds like the opening sound of

color the letters.

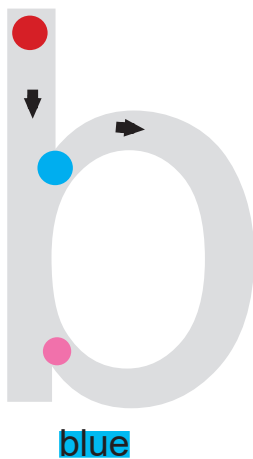

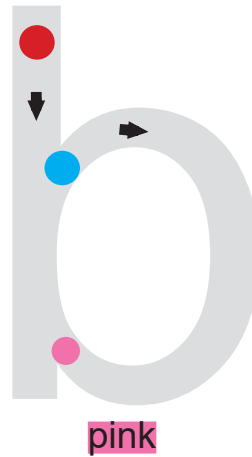

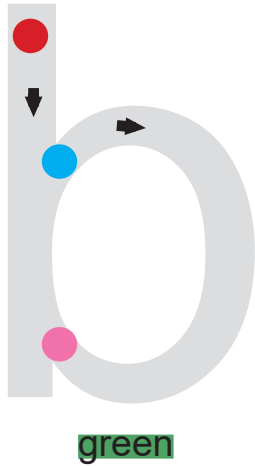

use a highlighter to color the letters:

start on the red dot in a straight line to the bottom.

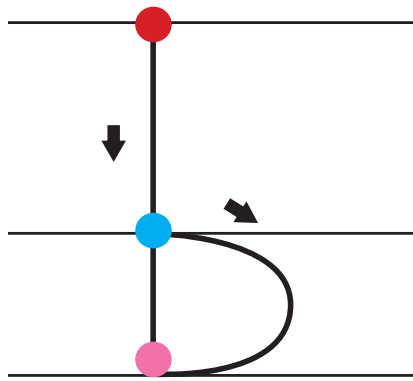

make a line all the way back to the blue dot and then make a "belly".

the ending point is the pink dot.

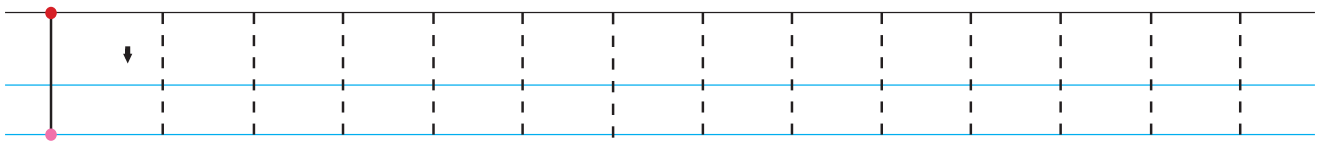

use green, blue and pink highlighters as instructed.

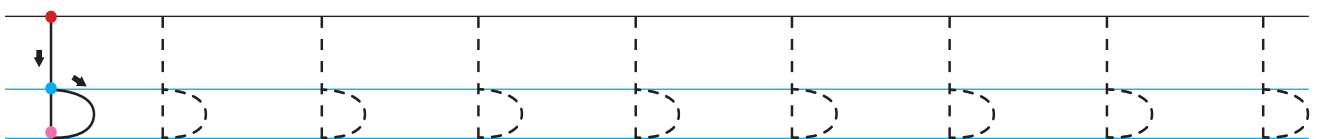

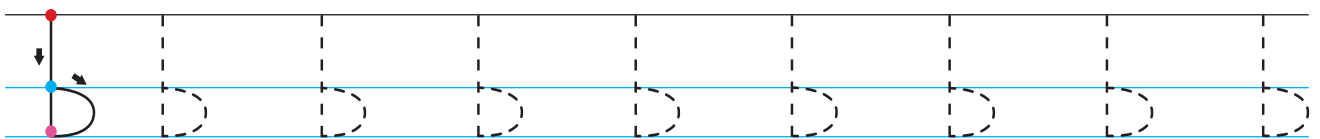

how to write a b?

we start at the red dot and go down - from the red dot to the pink dot.

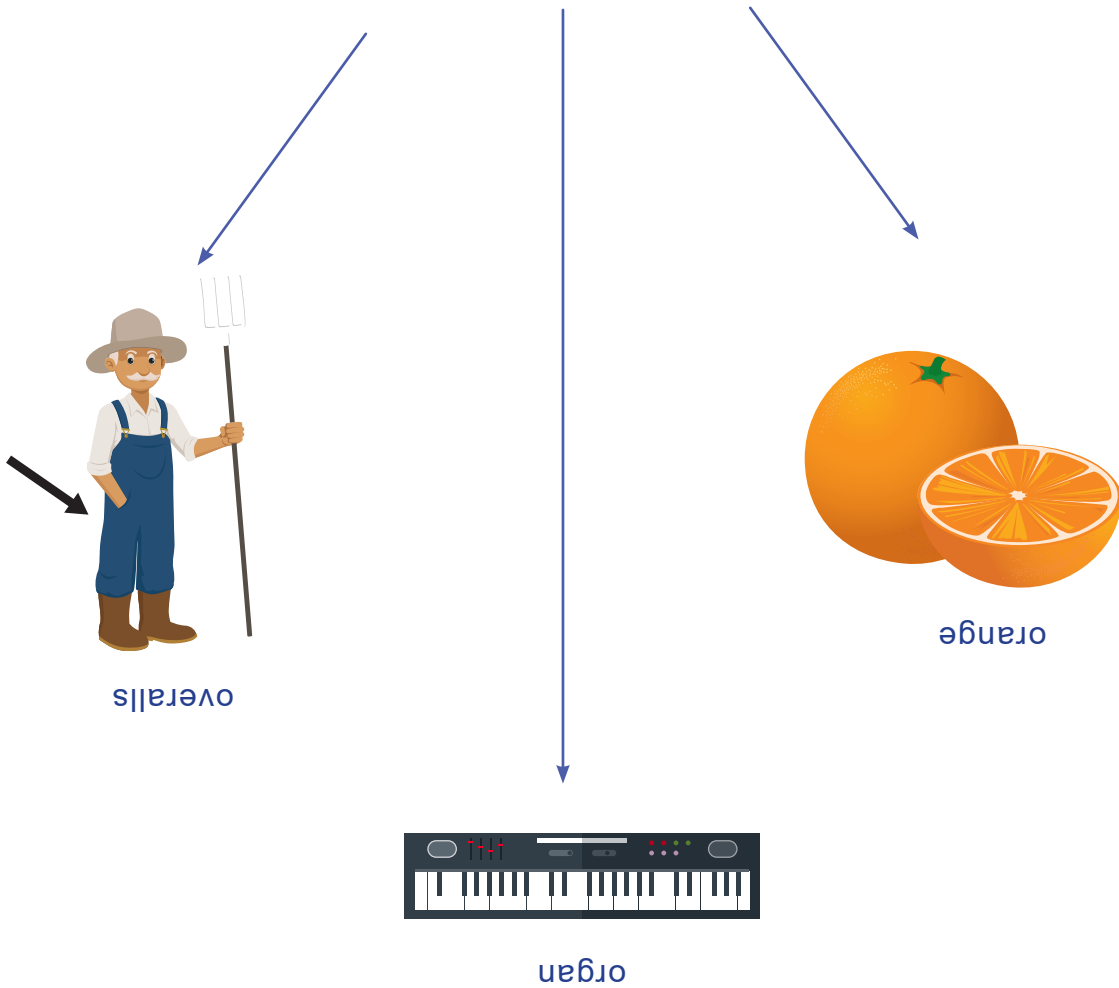

back to the blue dot and form a "belly" without lifting your pencil.  
the ending point is the pink dot.
